

# Plan for this directory usage

- for INVOICE TEMPLATE ( `excel_invoice_template/` ) to be delivered with solutions "for who need a simple template"
- write here a `README_excel_invoice_rules.md` to describe all required conditions in order to be "RECOGNIZED & TRANSLATED to JSON"

## PACKAGING

- released packages name: `<application_version>-excel_invoice_template.zip` and will be kept in `dist/` directory
